117 This post needs to be stickied. We dont need a bunch of pedes getting arrested and then made out to be terrorists by the media (actual terrorists).

63 Absolutely. I'm betting on AntiFart doing something stupid dressed up in Trump gear with a news team prepared for the "big scoop". We don't need actual Trump supporters getting caught for doing something stupid. And big hint for everyone going to DC - after dark, keep your friends close in teams. Don't be a straggler and don't go lone wolf. It's better to be with 10 gray haired dudes than 1 young buck because the commie cucks love to target people they can overwhelm.

▼ I live in DC and I would be very surprised if we do not see some kind of false-flag 'white supremacist militia' terror by Antifa/agents provocateurs in MAGA hats. Mayor Bowser would jump on any such incident to lock down DC for Jan 6. Also: Look out for one another. Protect elderly/disabled, children, etc. from the hyenas who target and swarm the weak.

9 Antifa has literally already disseminated info about dressing up as Trump / MAGA supporters to create mayhem / false flags....

Be very careful. In fact, trust no one but Trump himself.
